Ideas for Reflection Reflection can happen in the classroom, at the community organization, or individually through course assignments. There are a wide range of meaningful reflective practices and strategies that can be incorporated into service-learning, including the frequently used approaches listed below.

Reflection - community involvement and service-learning
Introduction. Learning to be an effective leader is an ongoing endeavor. Indeed, as Bennis (1994, p.1) noted, “people who cannot invent and reinvent themselves must be content with borrowed postures, second-hand ideas, fitting in instead of standing out.” Although much has been written about how leaders need to continue honing their skills, the demand for effective leadership at all levels ...

Summarizes the main theories of outdoor, adventure, & experiential education programming - Walsh & Golins, 1976, etc.

Theories of Outdoor Education - Wilderdom
Learning styles refer to a range of competing and contested theories that aim to account for differences in individuals' learning. These theories propose that all people can be classified according to their 'style' of learning, although the various theories present differing views on how the styles should be defined and categorized.: 8 A common
concept is that individuals differ in how they learn.
